FEBRUARY FINANCIAL REPORTS
Chair Lowe called on Kevin Duvall for the review of the February 2014 financial reports, which are appended and made a part of these minutes.

GEORGIA WORLD CONGRESS CENTER
The Congress Center projected a net profit of $367,147 for the month but had an actual net loss of ($593,907), a negative variance of $961,054. This was primarily due to shortfalls from Exhibit Hall Rental and Utility Services revenue from multiple events. YTD the Congress Center projected a profit of $1,150,022 but had an actual loss of ($843,731), a negative variance of $1,412,060.

GEORGIA DOME
The Dome projected a net profit of $981,289 for the month but had an actual net profit of $1,255,237, a positive variance of $273,948. This was primarily due to exceeding F&B sales for Supercross, Winter Jam, and Women’s Soccer. YTD the Dome projected a profit of $23,590,019 but has an actual profit of $25,397,889.

CENTENNIAL OLYMPIC PARK
The Park projected a net loss against budget of ($63,654) for the month but had an actual loss against budget of ($72,139), a negative variance of $8,485. YTD the Park projected a profit of $184,178 but had an actual profit of $189,932.

The Congress Center will not hit the Q2 snapshot projection but it anticipates a breakeven year. The Dome and Park will achieve their Q2 snapshots.

Hotel/Motel Tax of $15.7M was 2.81% below projection for the month but is 0.49% ahead of last year at this time.

The following February events resulted in an estimated 203,667 attendees and an estimated economic impact of $98.7M for the month.

PARK “EVENT LOOK AHEAD” UPDATE – Julia Karrenbauer

Julia Karrenbauer, Director of Business Development, highlighted three of the Park’s upcoming large spring events for the Board. They are opportunities to get the Park and its brand in the public eye.

The first event is Sweetwater 420 Festival. It takes place April 18 through April 20. It is a three-day festival with beer, local food, and multiple stages for music. This event has signed a five year deal at the Park. A 420 Fest 5K will be held in conjunction with the Festival. Expected attendance for the run is 3K. This year the event will be ticketed. Projected attendance for the entire event is 30K.

The second event is Party in the Park which takes place May 17. This is the third year for this event, which is self-promoted. Revenue opportunities include ticket sales, a facility fee, F&B revenue, sponsorships, and merchandise sales. Projected attendance is 9K.

The third event is Gumball 3000. This event is a car rally which takes place June 5. It will host 125 luxury cars which travel cross country from Miami to Ibiza (3,000 miles). After fifteen years, this is the first time the event has included Atlanta and the Park in their route. Atlanta will be the second stop along the way. The event is open to the public. Projected attendance is between 10K and 15K. A nightly concert and/or party will be held at each stop.

Julia had the opportunity to take part in the Billboard Touring Conference in New York and the Pollstar Live Conference in Nashville to gain knowledge and bring best practices back from people who have been doing concert events for a number of years.
RESOLUTION – CSC CONTRACT AMENDMENT
The current Crowd Management Services Agreement with Contemporary Services Corporation (CSC) expires in June 30, 2015. Carl Adkins, General Manager for the Dome, reviewed the background of the Dome’s current agreement with CSC. The Dome is obligated by license agreement with the Falcons to provide crowd management services which includes security, ticket takers, ushers, and event staff supervisors. The Dome contracted with CSC in 2002 to provide these services for Falcons games and all publicly ticketed events in the Dome. The agreement with CSC has been renewed twice, once is 2002 and again in 2009. If the Dome renews the agreement now, the scope of services would remain the same, the Dome would forgo until July 1, 2015 a $1 hourly increase scheduled for July 1, 2014 (represents a savings of $65K in the Dome FY15 budget and would save publicly ticketed events in staff cost next year), and rates would remain flat through the life of the Dome or June 17, 2017.

Staff recommends Board approval of a Resolution authorizing the Executive Director to negotiate an amended agreement with CSC to extend their agreement to expire not later than June 30, 2017.

Chair Lowe asked for a motion to approve the CSC Contract Amendment Resolution as presented to the Board today.

A motion to approve the Resolution authorizing the Executive Director to negotiate and execute an extended agreement with Contemporary Services Corporation (CSC) was made by Glenn Hicks, seconded by Doug Tollett, and unanimously approved.

RESOLUTION – GWCC BYLAWS CHANGE
The Board was informed at the February 25 Board meeting of the possibility of needing to change the Bylaws to add two Savannah Convention Center positions, the General Manager and Assistant General Manager, to Article VI – Officers and Article VII – Powers and Duties of Officers should the Authority enter into a management facilities agreement with the Savannah International Trade and Convention Center (SITCC). Subsequently, the Authority did enter into a management agreement with the SITCC on March 25, 2014. Therefore, today staff is recommending approval of the Resolution authorizing amending the GWCCA Bylaws to include the SITCC General Manager and Assistant General Manager positions.

Chair Lowe asked for a motion to approve the proposed Bylaws change Resolution as presented to the Board today.

A motion to approve the resolution amending the GWCCA Bylaws to include the Savannah International Trade & Convention Center General Manager and Assistant General Manager positions was made by Brian Daniel seconded by Glenn Hicks, and unanimously approved.
