NEW STADIUM PROJECT (NSP) GUARANTEED MAXIMUM PRICE RESOLUTION

Today the Board received an update from Bill Darden (Darden & Company) and Wayne Wadsworth (Senior Vice President and Principal in charge of the project for Holder, Hunt, Russell, Moody Joint Venture) on the status of construction and the scheduling process to date. Construction has been moving along at an incredible pace with:

- 65+ sub-contractors
- Average daily manpower - 400 workers
- Peak daily manpower - 2,000 workers (late 2015)
- Overall construction completed – 9%
- Foundations completed – 95%
- Concrete columns/slabs completed – 15%

The team is doing an excellent job. The Board then viewed an impressive presentation showing a 4D view of the stadium coming out of the ground.

In accordance with the Authority’s agreement with StadCo, the Authority is required to review and approve the NSP Guaranteed Maximum Price and Final Budget. At this time, Greg Beadles, EVP & Chief Administrative & Financial Officer for the Atlanta Falcons, reviewed the Guaranteed Maximum Price and the Final Budget.

Steve White with Heery, GWCCA’s Project Consultant, has reviewed StadCo’s budget numbers and confirmed the budget reflects the fair value of the building. In addition, Bank of America has issued a letter stating StadCo has the ability to finance the project.

Taz Anderson, Board Member, expressed concern that the Authority might be blamed for any cost overruns on the project and that we need to take that into consideration when voting to approve the GMP and Final Budget. Staff assured Mr. Anderson that the Authority/State is not responsible for any overruns. StadCo would assume that responsibility.

At this time staff recommended Board approval of a Resolution authorizing the Executive Director to approve the Guaranteed Maximum Price and Final Budget.

Chair Lowe asked for a motion to approve the Resolution as presented to the Board today.

*A motion authorizing the Executive Director to approve on behalf of the Authority the New Stadium Project Guaranteed Maximum Price and Final Budget as delivered by StadCo to the Authority was made by Glenn Hicks and seconded by Anne Hennessy. The motion was approved by thirteen of the fourteen Board members present. Taz Anderson opposed the motion.*

YELLOW PARKING LOT PROPOSAL RESOLUTION

Grady Memorial Hospital approached the Authority regarding submitting a bid for the use of campus parking spaces for their employees. Staff determined the Yellow Parking Lot would be a good location. Current utilization averages 10% and most parking activity occurs on weekends and evenings primarily for Dome and Building C events. Staff reviewed the entire event schedule to make sure there were no conflicts; although, the parking schedule could be adjusted if necessary.
Terms of the bid include the following.
- 600 spaces
- Monday – Friday (7:00 a.m. – 6:00 p.m.)
- 5-Year Term
- 9-Month notice cancellation clause
