GENERAL

1. Payment for Signage is due to CCLD prior to first Event Day.
2. All permanently installed GWCC Digital Signage is located in Common/Public Space (Specs and locations of all displays are listed on the last page).
3. Require Print Signage art/ content at correct specs and requested placement locations 21-days prior to first Event Day. This allows for production, proof, adjustments if needed, and installation. \$150 late fee will be charged per day past due date
4. After Print Proof is received, we require approval to print or requested changes to content NLT 3-days.
5. Require Digital Signage content at correct specs and requested display locations 5-days prior to first Event Day. This allows for testing and adjustments if needed.
6. After first Event Day, requested changes/updates to replace programmed Digital Signage will incur a \$150 charge per change.
7. No changes to location or content can be made to Print Signage after installation.

MOBILE MONITORS

8. Mobile Monitors will be placed as close to requested location as possible. Need to consider electrical outlet locations and potential trip hazards created by tape over power cords.
9. Mobile Monitors will only play Jpg files formatted in Portrait Orientation – 1080 x 1920 @96dpi Once Mobile Monitor is placed in agreed upon location, it must remain there for the duration of your event. Mobile Monitor location changes will incur a \$300 charge per change. Content changes to Mobile Monitors will incur a \$150 charge per change.
10. Mobile Monitor placement require **Show Management to arrange power supply with Edlen at requested locations.**

MEETING ROOM MONITORS

11. Meeting Room Monitors are programmed to utilize a customized Google Sheet that allows Show Management to fully control session content themselves in real time. The existing design template for Meeting Room Monitors, including bottom graphics -(up to 10 jpgs on bottom portion – **these will play on every screen in use**) cost \$250 per monitor used.
12. If not using the Google Sheet option, Meeting Room Monitors can display **one (1) Jpg or MP4 per day**. Jpg or MP4 content can be anything from sponsorship, branding or entire day session information. Each of the 120 Meeting Room Monitors can display different content, or all the same content. Changes to received and programmed Jpg and MP4 Meeting Room Monitors will incur \$150 charge per display change.

BUILDING MONITORS

13. These monitors play the same content on all screens in respective Buildings.

2. DIGITAL ADVERTISING

Signage/Event Information/Sponsorships:

Standard video directories and exterior marquees are available, as well as interior wayfinding and directional signage. Information and guest services staff will also be available during show hours.

Sponsorship: The Georgia World Congress Center Authority is proud to present the [Advantage Program](#). This program highlights unique and traditional sponsorship opportunities, in addition to digital signage. The Advantage Program provides extensive exposure to millions of guests that visit the GWCCA campus on an annual basis. If you have any questions regarding the GWCCA Advantage Program, please contact CCLD Networks.

3. SPONSORSHIP AND ADVERTISING

Show/exhibitor advertising or sponsorship is not allowed in public areas without payment to GWCCA. The current rate for all public areas, indoors and outdoors, is fifteen percent (15%) of show management's gross fee charged. Show Management is required to provide the GWCCA with a list of all advertising sold in public areas 30 days prior to the first day of move-in, including a rate card, and copy of invoice. Additional branding and sponsorship opportunities are available using GWCCA's full-motion digital billboards located on the exterior of the facility and digital signage located throughout the building, as well as numerous static options.

4. WALL, WINDOW, AND FLOOR CLINGS

Use and locations of clings must be approved in advance by your Event Manager and are subject to sponsorship fees if used for exhibitor advertising. Check with your Event Manager for approved materials. All clings can be installed by your General Service Contractor (GSC). The GSC is responsible for any charges for repairs or damages incurred during installation or removal of clings. Floor clings are not permitted on any terrazzo surfaces in the building.

5. PROHIBITED

Permanent facility and commercial signage is found throughout the GWCCA and may not be visibly blocked in any manner.

This signage includes directional graphics, emergency exits, rest rooms, concessions, exhibit hall signs, exhibitor service signs, commercial advertising, etc. Show signs and/or decorations may not be attached to the permanent facility graphics, and the removal of such is strictly prohibited. Banners and signage may be attached to the facility only in locations and by methods approved by the Event Manager.

Signage on and around escalators and stairwells may also be restricted for safety reasons.
