RE: **Equal Business Opportunity Quarterly Report #2**

Dear Greg,

In accordance with Section 11.4 c. (v) of the Tri-Party Memorandum of Understanding for a Successor Facility to the Georgia Dome, we are pleased to present the required quarterly update.

The project continues to keep a keen focus on implementation of the Equal Business Opportunity Plan (EBO). Currently, of the total \$30,770,360 contracted to date, 24% has been awarded to our MFBE partners.

Progress to note since the last report, 360 Architecture brought on additional prime and sub-consultants, of which some hold various minority certifications. The new additions include:

- Landscape Architecture
  - HGOR – Prime
  - The Creative Eye (AABE) – Local Sub
  - Centricity (FBE) – Local Sub
- Food Service
  - Ricca Newmark Design – Prime
  - Comacho Associates (HABE) – Local Sub

At the time of this report, Total Contracts awarded for the overall job represent approximately 5%, with the vast majority of the contracts yet to be awarded. This percentage mainly reflects the scopes of Architecture and Engineering. We remain committed to fulfilling the obligations set forth in the Equal Business Opportunity plan and will provide similar updates on a quarterly basis. Should you have any specific questions or comments, please let me know.

Sincerely,  
ICON Venue Group

Marc Farha  
Senior Vice President

3. Construction Manager Joint Venture

**360 ARCHITECTURE**  
**ARCHITECTURE/ENGINEERING EBO REPORT No. 2**  
November 21, 2013

## Equal Business Opportunity Plan Compliance Protocol

**Objective:** Develop and execute a program in which 360 Architecture's (360) extended A/E team's goal is to successfully implement an Equal Business Opportunity ("EBO") Plan for enlisting and monitoring participation of local minority and female business enterprises ("M/FBE") relative to the design of the New Stadium Project ("NSP").

The following reflects the actions of 360 since the submittal of the Architecture/Engineering Report No. 1, dated September 11, 2013:

### Community Outreach:

- On Tuesday, October 15, 2013, 360 issued a Press Release identifying the selected Architecture/Engineering Team.
- Wednesday, November 6<sup>th</sup>, 2013, 360 collaborated with HHRMJV and participated in their Contractors and Vendors Project Information Center and Meet and Greet.
- 360 has accepted an invitation to be a sponsor and participant in the AIA Atlanta High School Student Design Competition, scheduled for April, 2014.

### Local Teaming Members Participation:

- **Goode Van Slyke (AABE) – Local Architect**
  - Due diligence for government review and approval process
  - Developing event level Design Development (DD) documents
- **Stanley Beaman Sears (FBE) – Local Architect**
  - Developing concourse DD documents
- **Ecoworks (FBE) – Sustainability, Primary Consultant**
  - Assisted in the planning/carry out of the sustainability kick off meeting with Falcons/Design/Construction team
  - Point of contact for conversations with Green Building Council on understanding interpretations on specific credits/approach to energy modeling
  - Leading the activities regarding the development of the LEED boundary around the site.
  - Planning the LEED-Green Associate training session Nov 15 for the Falcons and Design/Construction team.

- **Sykes Consulting (AABE)** – Structural Engineer
  - Part of Buro Happold’s Structural Engineering team
  - Currently active in the engineering and generating documents for foundation bidding and construction
- **S.L. King and Khafra (AABE)** - Mechanical, Electrical and Plumbing (MEP) Engineer
  - Part of WSP’s MEP Engineering team
  - Scope of work to begin in DD phase
    - S.L. King - Interior Fit Out
    - Khafra- Fire Protection System will be full time field representative during construction
- **Long Engineering (FBE) and Skyline (AABE)** - Civil Engineers
  - Part of Kimley Horn’s Civil Engineering team
    - **Long Engineer** - developing the site utilities documents
    - **Skyline** - generating the dome demolition drawings.
- **The Creative Eye (AABE) and Centricity (FBE)** – Landscape Architects
  - Part of HGOR’s Landscape Architect team
    - **The Creative Eye (TCE)** - TCE has not been engaged at this point. As community engagement works into the schedule TCE’s efforts will increase January/ February of 2014.
    - **Centricity** - Centricity has been engaged with initial site related meetings. Site Scope yet to be determined between TVS and HGOR.
- **McAfee3 Architects (AABE and FBE)** – Accessibility
  - Part of United Spinal Association’s team, will begin to participate in local meetings during the DD phase
- **R.L. Brown and Associates (AABE)** – Building Codes
  - Part of FSC’s team, will begin to participate in local meetings during the DD phase
- **FTE (APABE)** – Field Turf, Primary Consultant
  - Collaborating with 360 on the field turf study and design
- **J & A Engineers (HABE)** - AV/Communications
  - Part of WHJW’s AV team, met and reviewed the project with their designers. Starting equipment layout on all IT spaces
- **Camacho Associates (HABE)** – Food Service
  - Part of Ricca Newmark’s team, will begin to participate in local meetings during the DD phase

# Atlanta Falcons New Stadium Project Architecture and Engineering Team Selected

ATLANTA NEW STADIUM PROJECT RENDERING

Kansas City, Mo. - 360 Architecture is pleased to announce members of the Atlanta New Stadium Project's (NSP) Architectural and Engineering team. 360 Architecture worked in conjunction with the Atlanta Falcons and the City of Atlanta's Office of Contract Compliance (OCC) to select a team that emphasizes local participation and strong minority and female business enterprise involvement (M/FBE).

The selection process vetted national and local firms to provide a variety of specialty design consulting services for the NSP. Emphasis was placed on identifying and engaging local M/FBE firms in various roles with specialized expertise. National firms with sports facility experience were encouraged to reach out and partner with local M/FBE firms in each discipline. A series of Meet and Greets were held at the Georgia World Congress Center which provided interested architecture and engineering firms an opportunity to learn about the project as well as the processes and procedures to follow in order to be considered to provide services. A contact list of

current M/FBE firms was generated from the City of Atlanta OCC's Registry of Certified Firms via their PRISM Compliance Management portal. Meetings were conducted with qualified candidates resulting from outreach efforts.

To date, 25 firms have been selected as part of the Atlanta New Stadium Project Team. Of the 25 selected firms, 15 are City Certified M/FBE.

"Our objective was to facilitate an open selection process that provided numerous opportunities to meet prospective architecture and engineering firms interested in providing services for the New Stadium Project," said Gary Nelson, a project manager with 360 Architecture. "The 360 Architecture team embraces the City of Atlanta's Business Opportunity Plan and is fully committed to executing a plan that meets or exceeds the goals established for the project."

The local NSP team members consist of a wide spectrum of firms ranging from sole proprietors to legacy firms that have played an important role in the history of diversity in the Atlanta Architecture and Engineering Community.

Local Atlanta-based firms selected for the NSP team include:

TVS Design, Stanley Beaman Sears\*, Goode Van Slyke\*, Kimley-Horn & Associates, Long Engineering\*, Skyline Engineering\*, Sykes Consulting\*, SL King\*, Khafra\*, Ecoworks\*, RL Brown & Associates\*, McAfee3 Architects\*, HGOR, Creative Eye, LLC\*, Centricity\*, J&A Engineering\*, FTE\* and Comacho Associates\*.

\*M/FBE

Additional NSP team members include:

Buro Happold, WSP Flack + Kurtz, FSC-Inc. Consulting Engineers, United Spinal Association, WJHW, Ricca Newmark Design, and BMT Fluid Mechanics.

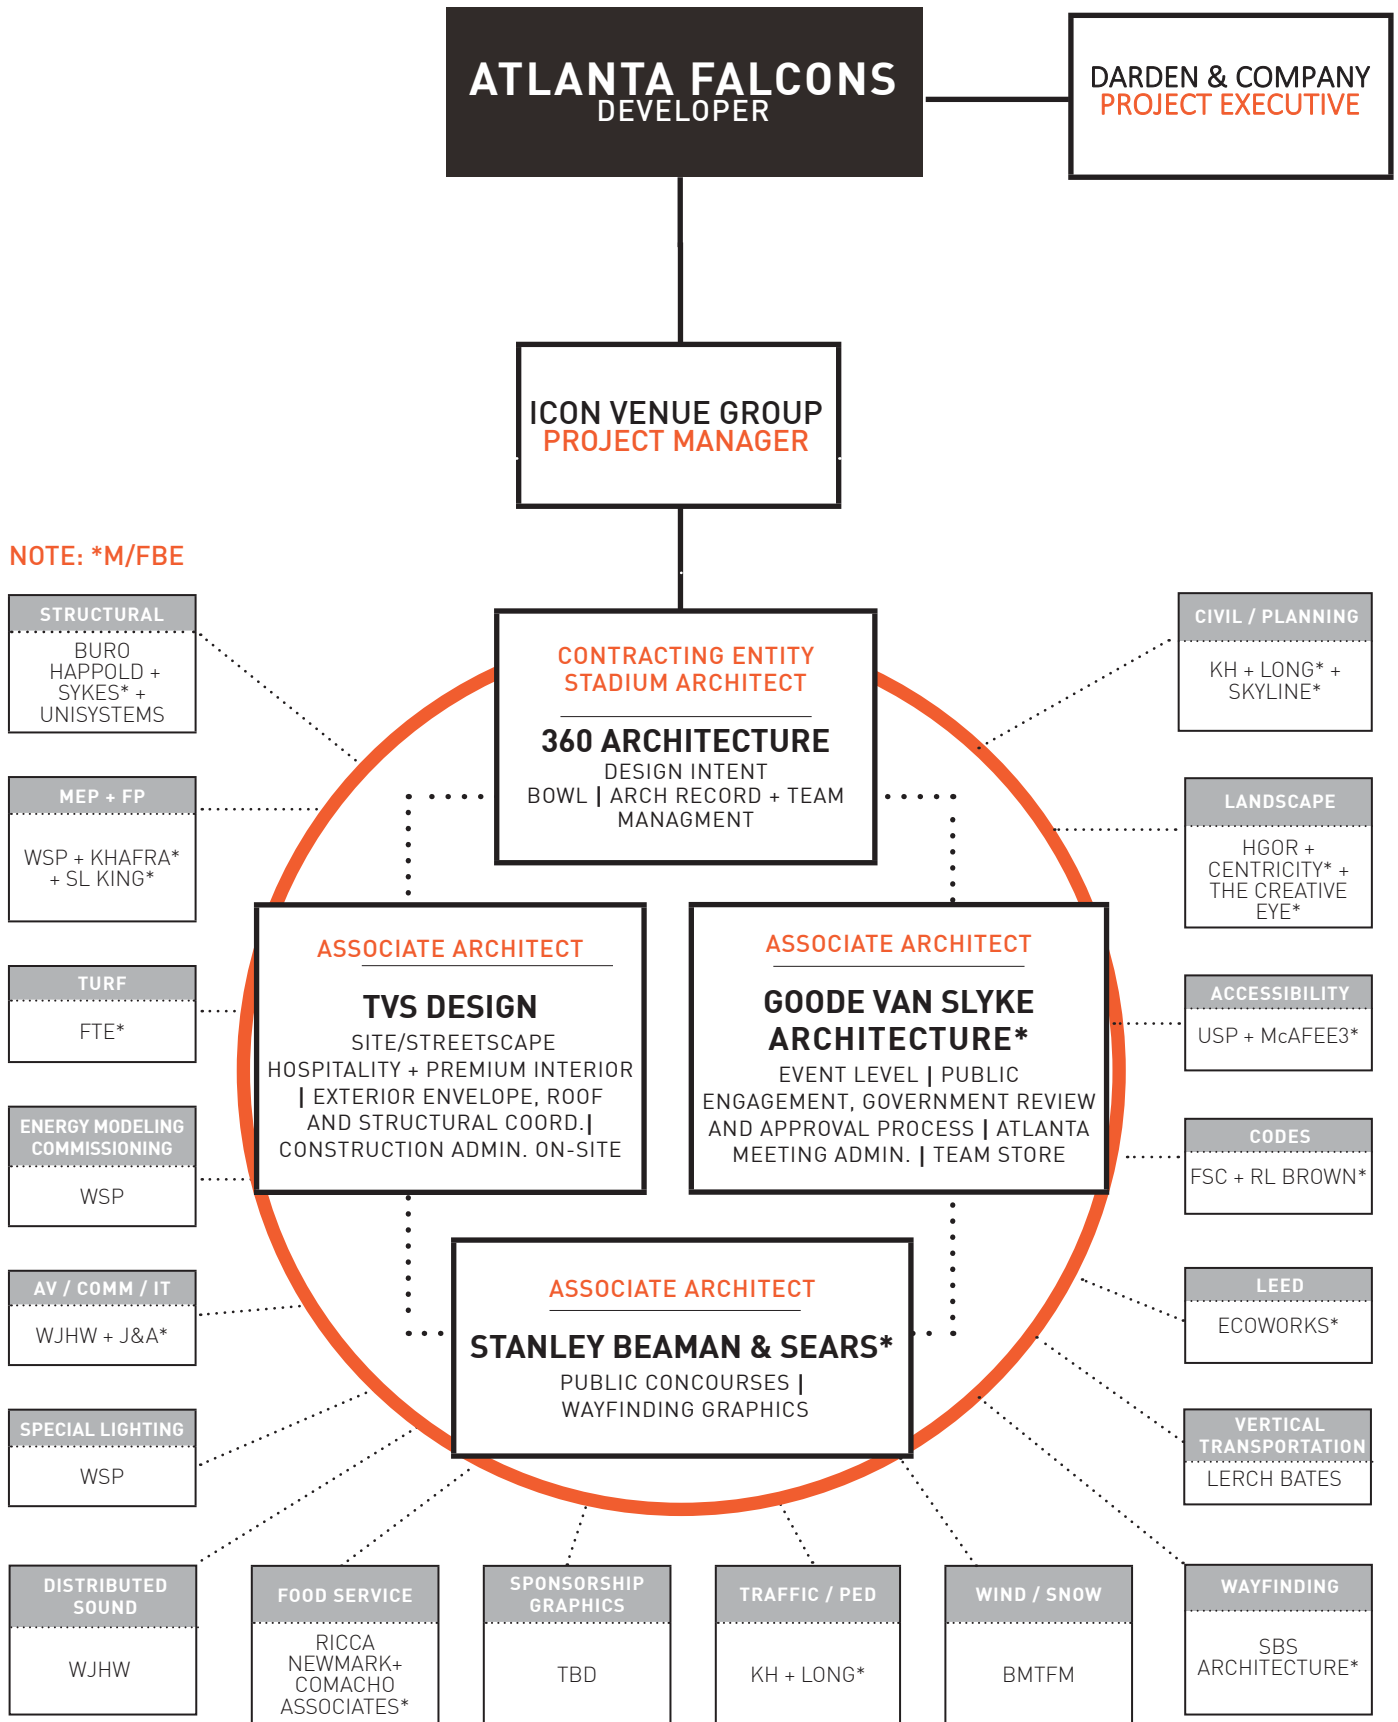

\*\*\*

**360 Architecture** is an innovative architectural practice widely recognized for excellence in planning, design and execution across a wide range of project types, including corporate and commercial office buildings, sports arenas and stadiums, mixed-use districts, recreation centers, residences, restaurants and municipal facilities. 360 Architecture is headquartered in Kansas City, Missouri and has offices in, San Francisco, and Columbus.

# ATLANTA FALCONS

## NEW STADIUM PROJECT ORGANIZATION CHART

# Developer Held Contracts

## Surveyor - Long Engineering

- Executed Contract Amount: \$391,263
- City of Atlanta MFBE Certification: FBE
- MFBE Sub-consultants: N/A
- **Total MFBE %:** **100%**

## Geotechnical/Environmental Engineer – Langan

- Executed Contract Amount: \$645,906
- City of Atlanta MFBE Certification: N/A
- MFBE Sub-consultants:
  - Advanced Analytical Services (FBE) \$45,349
  - Excalibur Drilling (FBE) \$33,881
  - Contour Engineering (MBE/APABE) \$11,155
  - Oasis Construction Services (FBE) \$28,475
- **Total MFBE %:** **18.4%**

## Construction Manager Joint Venture

After Holder Construction Group and Hunt Construction Group were selected as the Prime Construction Manager Joint Venture team for the NSP, they decided to pursue partnering with local City of Atlanta AABE Certified firms C.D. Moody Construction Company and H.J. Russell & Company to form HHRM.

***C.D. Moody and H.J. Russell are both 10% partners in HHRM and account for 20% MFBE participation in HHRM's contract.***

The Majority of the EBO awards will be within the subcontracts to the Prime GC team and those subcontracts will be awarded during 2014 - 2015.

In order to develop a wide and deep pool of quality and qualified candidates for EBO awards, HHRM will continuously reach out to the community in various ways.

On November 6, 2013, HHRM held their first **Project Information Session and Meet & Greet**. The purpose of this session was to overview the project, prequalification and procurement process with local businesses. In addition, key project goals were discussed such as the 31% EBO participation goal and workforce development. The attached documents include the invitation, agenda and attendee list. Over 600 trade contractors and vendors attended the event.

**Holder, Hunt, Russell, Moody (HHRM), Joint Venture  
NOTICE OF PROJECT INFORMATION SESSION AND MEET AND GREET**

---

**To:** Trade Contractors and Vendors  
**From:** Doretha R. Smith  
**Date:** October 17, 2013  
**Re:** New Stadium Project (NSP)

---

**Project Information:** HHRM is inviting **all** interested trade contractors and vendors to attend a project information session and meet and greet for the New Stadium Project (NSP).

The NSP – a new multipurpose, state-of-the-art stadium with a retractable roof – will be the home venue for the Atlanta Falcons, as well as serving as a sports and entertainment venue. The 1.8 million square foot facility will have approximately 71,000 seats with the ability to expand to 75,000 seats.

**MBE/FBE Participation:** HHRM is committed to maximizing local and equal business opportunities in accordance with the NSP Equal Business Opportunity Program. The project has a goal of 31% FBE/MBE participation. All minority and female business enterprises are encouraged to be certified by the City of Atlanta’s Office of Contract Compliance. All minority-owned firms are encouraged to attend the Information Session, regardless of size of firm.

**Project Information Session Date:** Wednesday, November 6, 2013

**Meet and Greet – HHRM, JV Project Information Session**  
**Session 1: 1 – 3 p.m.**  
**Session 2: 4 – 6 p.m.**

**Location:** Georgia World Congress Center  
285 Andrew Young International Blvd.  
Atlanta, GA 30313-1591  
Rooms C208 – C210
